

Porcelain Paving Range 2023

Porcelain Paving Benefits

Easy to Install

Frost Resistant

Low Maintenance

R11 Non-Slip Rating

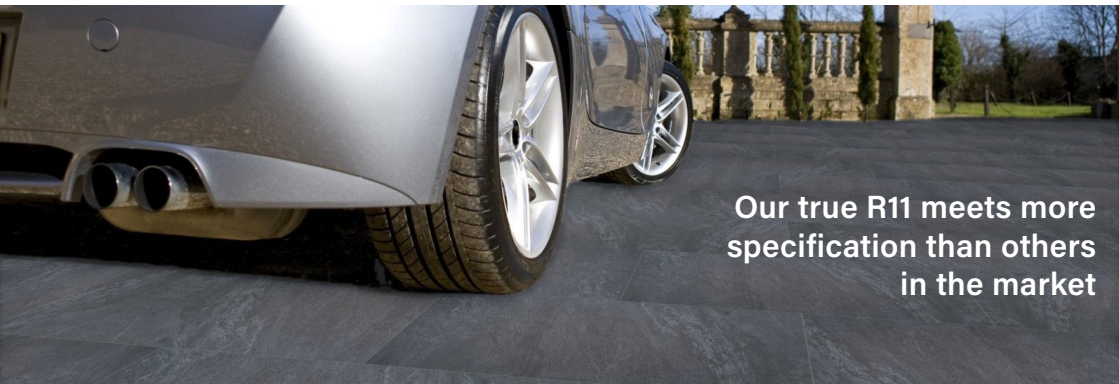

UV Colour Resistance

Durable & Long-Lasting

R11 Non-Slip Rating

The 'R' rating is given based on the angle of slip after enduring a SHOD test. R11 is somewhere between 19-26 degrees.

Our true R11 meets more specification than others in the market
